Comments

1. Again in 2019 a nominee is clear No 1 of the experts ranking list who had been nominated the third year in a row. So please, don't miss the chance to apply again, if your candidate didn't win.
2. Some applications are made when the nominee is quite young (16 or 17 years). Have in mind that it is of course more easy to collect good results and also to have more clear studying plans when you are older. So usually the scholarship goes to older nominees. The 2019 winner – Bojan Gostojic – is born 1999.
3. According to CIAM Gen.Rules A.14.d) iii “The Plenary Meeting awards the Scholarship”.
