JURY REPORT		JURY REPORT	JURY REPORT	JURY REPORT	JURY REPORT	JURY REPORT	JURY REPORT	JURY REPORT	JURY REPORT
General	EDS SC	Well organized, well run. Limited budget, a bit low on staff.	Well organized, well run. Excellent scoring team.		Problems to accept Japanese pilot documents. Solved after much work by organizer	Well organised	Successful and technically excellent	A very well organized event	Briefings only in English and mostly verbally. One pilot left early as he did not understand enough
General	EDS SC			12 pilots from 4 NACs attended. Min for Sporting Events is 15 pilots. No minimum for CAT 1 events.			Invitation was extended to make it possible to get more pilots.	Large number of volunteers had a significant positive effect	ED and scorer lacked required skills
Jury	Jury Board			One juror could not attend (8 days before the event). Hard to find replacement. Replaced by a 2 <sup>nd</sup> Hungarian juror.			No key available for jury room. Late agreement to use private car.	Officials team did excellent job	No jury room available
Invitation process	EDS SC				Became complicated. Entry fee payments got lost.				
No-Shows					4 late withdrawals				
Anti-Doping									
Arrival	EDS SC – Sanction requirement							Assignment of rental cars was excellent	
Logistics	EDS SC – Sanction requirement								
Competition					Both loggers and observers used		Some markers were worn		No met or pibal info
Competition							No solo flights		
Communication					2 Official Notice Boards used. Papers and web. Not always synchronized			SMS communication for pibal, launch, measuring team and recall was very efficient and appreciated	Too much verbal explanations and non-standard English
Rules	Rules SC – AX	Rule 13.3.5. New distance penalty structure can give large variations in penalties for similar violations.					Numbering of tasks confusing. Different on TDS, logger input and on score sheets.	The old AX-MER was used. The new combined rules are not yet mature	No Section I & II available until General Briefing
Rules	Rules SC – AX	Rule 14.1 and 14.6.1. are in conflict. Unrealistic to use 2 decimals for angles.					Penalties for Motorway PZ. Good		Scorer only published provisional results. They would all be final on the last day. Jury had to intervene
Rules	Rules SC – AX						Official cars had no labels		ED planned to publish results every hour in the last night. Jury intervened
Rules	Rules SC – AX						Rule change: Altitude by loggers were barometric.

DEBRIEFING		EVENT DEBRIEFING	EVENT DEBRIEFING	EVENT DEBRIEFING	EVENT DEBRIEFING	EVENT DEBRIEFING	EVENT DEBRIEFING	DEBRIEFING	DEBRIEFING
General	EDS SC	Well organized but short of staff.	Well organized, well run	No debriefing report received		Good infrastructure. Well organized	Good infrastructure. Well organized	No pilot debriefing	No pilot debriefing
General	EDS SC		This event is a good model for a well organized CAT 1 event.			2 year preparation time poorly used.	Good facilities both at hotel and competition center		
General	EDS SC				Mixed opinions about logger vs observers. Better tasks can be set with obs. and better socially, but obs quality is decreasing.				
Invitation process	EDS SC	Pilots wanted info by mail and not only on web	Very good				Pilots missed a list of documents to show at check-in (It is in the rulebook)		
Invitation process	EDS SC				Pilots wanted payments to be made by credit card.				
Communication	EDS SC	Website not updated. Results posted late	SMS used for cancellations. Very good.		ED sent info by mail that was not available on web. Thanks from pilots				
Arrival	EDS SC				Shipping costs were higher than quoted early.				
Logistics	EDS SC	Only one outlet for refuelling is too little for 26 balloons.	Very long way back from refuelling		Excellent refuelling	Recreational day could not be used for preparations, (sand bag filling etc.)			
Logistics	Rules SC – AA					Sand was too late. Promised transport help did not exist.			
Logistics	Rules SC – AA					No lights on field during launch preparation.			
Briefing facilities	Rules SC – AX EDS	Tables for crew too small			Perfect. Also weather briefings		Difficult to see screen from far end		
Task briefing	Rules SC – AX Scoring-COH		Excellent. Met info very good. Task sheets on Internet even before task briefings. SWG: Noted.				Confusing task numbers. Different and not in sequence. SWG: ED attempted to make task		
Task debriefing	Rules SC – AX Scoring-COH	Some pilots wanted more explanations how to fill in pilot reports. Only 1 map for each team. Old outdated maps given to ground crew. This map could not be folded. SWG: Events are limited by	Very quick. SWG: Noted.						
Maps	Rules SC – AX Scoring-COH				Map standard was low but the best available. Pilots wanted PZ and way-point files on web. SWG: Data was provided in numerous		Could have been smaller as large parts was not usable. (Female pilots have no scissors) SWG: All (most) of the map was usable, but not used, it		
Safety	Safety SC	Pilots complained about powerlines close to CLP. No incidents.			Unsafe driving.		No launch masters. Worked well.
