

Proposed changes to FAI Sporting Code, Section 2
for consideration at the GAC meeting, October 21-23, 2005
(to take effect January 1, 2006)

- Item 1) The Amateur-Built Aircraft Commission has proposed that GAC identify amateur-built aircraft that have set records. Accordingly, the "Record Claim Statement" (see attached) in Annex 3 has been modified to include this information. (Note: If the majority [over 50%] of an aircraft has been constructed by an individual, it is considered to be amateur-built.)
- Item 2) Sporting License details are required of all crew/copilots setting records. As there is not sufficient space to record this information on the "Record Claim Statement" (see attached), a reminder has been added to include this information on another form (Form 12).
